

LED Twinspot emergency non-maintained

MLA part code	EMTWINPC
Description	LED Twinspot emergency non-maintained
Finishes	White
Nett weight (kg)	0.98
Construction	Polycarbonate
Class	Class II
Overall dimensions (mm)	Height: 270, Width: 273, Projection: 70
Wattage (W)	6
Lumens (lm) in emergency mode	410
Input voltage	230V @ 50Hz
CCT	6500K
LED Colour	Daylight
IP rating	IP20
Life span (Hrs)	30,000
Battery	Nickel Cadmium 3000mAh 3.6V (3 cell)
Warranty	3 years (excluding battery)
Origin of Manufacture	China
Quality assurance system	ISO 9001
Declaration of Conformity (held on file)	Yes
Manufactured & accordance with	EN60598-2-1
EAN	5055832950363
