

SCREWLESS 13A FUSED SPUR UNITS

Fused spur units or connection units are an electrical switch with a built in fuse, designed for appliances that do not have or require a fused plug top. Fused spur units are also used for high powered electrical equipment with heavy continuous load, so that the appliance can be isolated by a single cable from a ring main for safety and maintenance purposes. 13A rated available with and without a double pole switch/neon.

Finish suffix:

Brushed chrome (BC), Polished chrome (PC), Black nickel (BN), Matt black (MB), Polished brass (PB) Matt white (MW)

Colour Insert suffix:

N/A
