

MD Mirror Demister Pads

A mirror demister pad's typical running cost is 5p per week

- Providing a mist free mirror
- 100% effective in little over 2 minutes
- Very low energy consumption
- Simply integrated into the lighting circuit ensuring that they are not left running
- 230V supply

Features

- Protects an area approximately 20% larger than the pad itself
- Double insulated and completely sealed for total safety
- Less than 1mm thick
- Peel off adhesive backing
- 1m long power lead

Complete Range

Width: 300mm		
Model	Watts	Length
MD3-29	16	290
MD3-49	27	490
MD3-73	40	730
MD3-97	54	970
MD3-125	69	1250
MD3-149	83	1490
Width: 500mm		
Model	Watts	Length
MD5-29	27	290
MD5-49	46	490
MD5-73	69	730
MD5-97	92	970
MD5-125	119	1250
MD5-149	142	1490
Width: 700mm		
Model	Watts	Length
MD7-29	38	290
MD7-49	65	490
MD7-73	98	730
MD7-97	131	970
MD7-125	169	1250
MD7-149	201	1490

Peel-off adhesive backing
