

# Wing

## TLEDJ320

## product data sheet

### Description

A distinctive range of Aluminium, metal halide and LED spotlights. High output is ideal for accent lighting on retail, leisure and commercial environments

### APPLICATIONS

Ideal for highlighting and general lighting in retail, leisure and commercial applications, particularly where high levels of illumination are required with low maintenance and running costs.

### SALES FEATURES

#### Comprehensive range

2000lm & 3000lm; 24° & 40° beam; lamp supplied. White or Black finish.

#### Quality

Fully adjustable: body rotates 355°, lighting head tilts 90°. Integral electronic gear provides constant power, good colour maintenance and virtually silent

#### Ease of installation

Easy installation and removal from track.

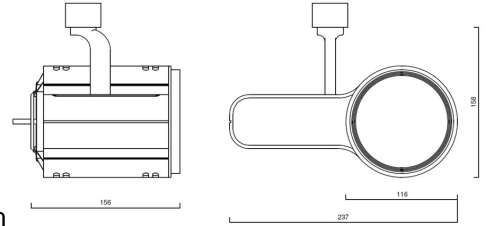

#### Lamp description

Crisp, White light. Excellent colour rendering. Output blends well with light from Ceramic Discharge lamps. Long life reduces maintenance costs. Very Energy-efficient.

## TECHNICAL SPECIFICATION

### Technical Data

Cut out dia. (mm)	0
IP Rating	20
Weight (kgs)	1.60
Input Voltage(V)	240V
Dimming	Suitable for DALI or 1-10V dimming with GDD or GDA option.
Lamp Colour	830

## MATERIALS

Housing	Extruded Aluminium
Gear	Electronic
Finish	Powder Coated
