## The Nickel Silver Range

Nickel Silver first became popular in the 19<sup>th</sup> century due to its similarity to Sterling Silver and was commonly used for various decorative items around the home.

It has a permanent mirrored finish which creates a contemporary luxurious appearance which is warmer than chrome, making it more suitable for living areas either traditional or modern.

### Available in:

Dolly Switch  
Rotary Dimmer  
Button Dimmer  
Rocker Switch

A full range of socket outlets are available, including power outlets, European sockets, telecom and data, audio and visual, fused connection and floor sockets.
